Permanent Early Voting List Request

Dear Yavapai County Voter:

Any registered voter may request to be included on the “Permanent Early Voting List” in order to automatically receive an early ballot by mail, for all elections they are eligible to participate, that are governed by state law. In order to be included on the “Permanent Early Voting List”, the voter must make a written request specifically asking that their name be added to the permanent list. The request must include the voter’s name, residence address, mailing address within the State of Arizona, date of birth, and signature.

You will remain on this list until your registration is cancelled, moved to inactive status, or a written request by you to be removed from the list. Removal requests must include: your name, residence address, date of birth, and signature.

Voters on the Permanent Early Voting List will receive a notice at least ninety days (90) prior to any voting center/polling place election in March or August. The notice will include the dates of the upcoming elections, the dates you can expect your ballot to be mailed (27 days prior to any election) and the address where the ballot will be mailed. The notice will also include a means for you to change: your mailing address, your residence address, and/or allow for you to request that a ballot NOT be sent for the upcoming election or elections indicated on the notice.

If the election is a partisan (political party specific) open primary election and you are not registered as a member of one of the political parties participating in the election (independent, other, etc.), the notice will include information for you on how to select a specific political party ballot to receive. Please return completed request to Yavapai County Voter Registration, 1015 Fair Street- Rm #228, Prescott, AZ 86305-1807

PERMANENT EARLY VOTERS THAT CHOOSE TO VOTE AT A VOTE CENTER/POLLING PLACE WILL BE REQUIRED TO VOTE A PROVISIONAL BALLOT.
