What is the Adopt-A-Road Program?

The Yavapai County Adopt-A-Road Program is a volunteer community service litter pick-up program on county-maintained roadways.

Why adopt a road?

It's a free, easy way for groups to help their communities and to make a visible impact.

Who is eligible?

Individuals, businesses, clubs, schools, and groups of any kind are encouraged to participate in this community service.

How do I get started?

Contact Fiona English at Yavapai County Public Works for more information.

Here are some things you should know:

- We provide Adopt-A-Road sign;
- We provide orange trash bags;
- We provide trash bag pick up;
- One mile of roadway is the standard length available for adoption;
- Trash pick ups should be approximately every two (2) month;
- For safety reasons, children under the age of ten (10) are not permitted to assist in clean ups;
- No fees.
