REINSPECTION FEES
2019-1 YCABC 110.7

A re-inspection fee may be assessed at the discretion of the Director and designated person, for each inspection or re-inspection when such portion of work for which inspection is called is not complete or when corrections called for are not made.

This section is not to be interpreted as requiring re-inspection fees the first time a job is rejected for failure to comply with the requirements of the technical codes, but as controlling the practice of calling for inspections before the job is ready for such inspection or re-inspection.

- When the inspection record card is not available on the work site.
- When the approved plans are not readily available to the inspector.
- For failure to provide access on the date for which inspection is requested.
- For deviating from approved plans thereby requiring the approval of the building official.

To obtain a re-inspection, the applicant shall pay the re-inspection fee as set forth in the fee schedule adopted by this jurisdiction.

In instances where re-inspection fees have been assessed, additional inspection of the work will not be performed until the required fees have been paid.
