PRESS RELEASE - REVISED

FOR IMMEDIATE RELEASE:
April 29, 2020

CHIP SEAL PROJECT YAVAPAI COUNTY-WIDE

Please be advised that Asphalt Paving & Supply, Inc., in conjunction with Yavapai County, will be performing chip seal and fog seal operations on various roads and neighborhoods in Yavapai County. The areas include Village of Oak Creek West and East, Government Canyon, Ho-Kay-Gan, Peeples Valley, Prescott Valley, and Yarnell, Cottonwood and Mayer. Construction work will include placing a 3/8” chip seal, fog seal and striping on various roads throughout the county. The chip seal is a rapid-moving construction method, so public impact should be minimal. Construction will begin May 4, 2020 and continue through June 18, 2020. One lane of traffic will remain open at all times; however, motorists may encounter lane restrictions, reduced speeds, and flagging operations throughout the work zones. Motorists should expect minor delays and allow extra time to get through the construction areas. Please follow all traffic control devices when travelling through the work zones.

For additional information, please contact Yavapai County Public Works at 928-771-3183 or visit us on the web at www.yavapai.us/publicworks.
