QUESTION

10% MAINTENANCE AND OPERATION BUDGET OVERRIDE

Shall the Governing Board of Mingus Union High School District No. 4 of Yavapai County, Arizona, adopt General Maintenance and Operation Budget that includes an amount that exceeds the revenue control limit specified by statute by ten percent for fiscal year 2018/2019 and for six subsequent years as described below? The fiscal year 2018/2019 budget override authority represents a continuation of the existing budget override authority which is scheduled to phase down by one-third for fiscal year 2019/2020 and another one-third in fiscal year 2020/2021 if the voters do not approve the override.

The amount of the proposed continuation of the budget increase of the proposed budget over the alternate budget for fiscal year 2018/2019 is \$-0-. In fiscal years 2018/2019 through 2022/2023 the amount of the proposed increase will be ten percent of the District's revenue control limit in each of such years, as provided in Section 15 481(P) of the Arizona Revised Statutes. In fiscal years 2023/2024 and 2024/2025, the amount of the proposed increase will be six and two-thirds percent and three and one-third, respectively, of the District's revenue control limit in each of such years, as provided in Section 15 481(P) of the Arizona Revised Statutes.

Any budget increase continuation authorized by this election shall be entirely funded by a levy of taxes on the taxable property in this school district for the year for which adopted and for six subsequent years, shall not be realized from monies furnished by the state and shall not be subject to the limitation on taxes specified in Article IX, Section 18, Constitution of Arizona. Based on the current net assessed valuation used for secondary property tax purposes, to fund the proposed continuation of the increase in the school district's budget would require an estimated continuation of a tax rate of \$0.25 per one hundred dollars of net assessed valuation used for secondary property tax purposes and is in addition to the school district's tax rate that will be levied to fund the school district's revenue control limit allowed by law.

A "YES" vote shall authorize the Mingus Union High School District Governing Board to continue the existing maintenance and operation budget override authority and resulting tax, which includes an amount that exceeds the District's revenue control limit by up to 10% per year for seven years.

A "NO" vote shall not authorize the Mingus Union High School District Governing Board to extend the existing maintenance and operation budget override authority and resulting tax.
